RE: Docket #98N-1038, "Irradiation in the production,
processing, and handling of food."

Dear FDA:

Please retain the labeling "treated with radiation" or "treated
by irradiation" on all irradiated foods. In addition, please
keep using the current Radura symbol as the logo for irradiated
foods.

I also ask that you do not let your labeling requirements be
allowed to expire at some specified date in the future.

Sincerely,

Nelson M. Feldman
